

REPORT/RECOMMENDATION TO THE BOARD OF SUPERVISORS  
OF SAN BERNARDINO COUNTY, CALIFORNIA  
AND RECORD OF ACTION

28

June 22, 2004

**FROM:** PATRICK J. MEAD, Interim Director  
Department of Public Works – Transportation

**SUBJECT:** ESTABLISH A THROUGH HIGHWAY ON HARTFORD LANE – SILVER LAKES  
AREA

**RECOMMENDATION:** Adopt resolution to establish Hartford Lane at its intersection with Cumberland Lane as a through highway, in the Silver Lakes area.

**BACKGROUND INFORMATION:** Subsequent to a request from a concerned citizen, the Department conducted a traffic engineering investigation at the intersection of Cumberland Lane and Hartford Lane, in the Silver Lakes area. The structures and landscaping have created view obstructions for vehicles entering the intersection from all directions. Also, traffic count data indicates Hartford Lane is the major highway at this intersection. Therefore, in the interest of public safety, the Department recommends establishing Hartford Lane as a through highway at its intersection with Cumberland Lane, in the Silver Lakes area per County Code Section 52.0111(a)(1). Establishing a through highway at the aforementioned intersection will require motorists from Cumberland Lane to stop. Approval of this action will require and also authorize the Department to install “Stop” signs at the appropriate locations.

**REVIEW AND APPROVAL BY OTHERS:** This item was reviewed by Chief Deputy County Counsel Rex A. Hinesley, (387-5480) on June 14, 2004 and County Administrative Office (Tom Forster, Administrative Analyst, 387-4635) on June 10, 2004.

**FINANCIAL IMPACT:** There is a cost incurred of approximately \$500 to install the appropriate signs, as well as minor administrative costs to update Department records. Funds for this action are available in the Department’s 2003/04 Operations budget.

**SUPERVISORIAL DISTRICT(S):** 1<sup>st</sup>

**PRESENTER:** Patrick J. Mead, 387-7906
